

BOYS SCOUTS OF GREENE COUNTY

Our History

The Boy Scouts of America (the BSA) is one of the largest Scouting organizations in the United States of America and one of the largest youth organizations in the United States, with more than 2.4 million youth participants and nearly one million adult volunteers. The BSA was founded in 1910, and since then, more than 110 million Americans have been participants in BSA programs at some time. The Quapaw Area Council of the Boy Scouts (Greene County) began in 1913 and is the largest in the state..

OUR GOAL

Train youth in responsible citizenship, character development, and self-reliance through participation in a wide range of outdoor activities, educational programs, and, at older age levels, career-oriented programs in partnership with community organizations.

By donating to the Greene County Community Fund, you are funding the work that can be done through the Greene County Boy Scouts.

Scouting is adventure, family, fun, character, leadership and so much more.

Thank you for helping my friends!
